

Prayer News for July 2010

June was another busy month for the Armacosts. We visited 3 churches, one of which was Pleasant Valley Baptist to help them celebrate their 100th anniversary. The other 2 were Mason-Dixon and FBC Perryville to share our work. As always, we were pleased to see many familiar faces and to meet some new folks.

We also participated in the Camp Harmison 50th reunion celebration. Camp Harmison, located in West Virginia, was a pivotal experience for Ben in his teenage years, and we participated as youth leaders there in the 1980s. It was wonderful to share many great memories from years past.

We spent several days at our son Tim's house to upgrade his electrical wiring, install a bigger kitchen sink, and begin work on a new room in his basement. Ben also helped his brother with the spring harvest by baling and packing barley straw--hard work, but a great way to get back in shape!

We appreciate the people who pray for us, especially those in our key churches in Maryland, Pennsylvania, and Virginia. These individuals share this prayer news with their churches each month, and they keep us informed of what is happening on the home front! Prayer is a vital part of our ministry, we are continually looking for faithful believers to pray for us. If you would like to represent us as a prayer contact in your church, please email us at prayerpartners@submerging.org

Thank you for praying for the Armacost family, serving in Tasmania, Australia

Ben & Judy Armacost, Europe Affinity Diaspora Cluster, International Mission Board (**currently stateside**)

Tim & Christina Armacost, Harrisburg, PA ♦ Josh Armacost, Southeastern Seminary, Wake Forest, NC ♦ Joy Armacost, California Baptist Univ., Riverside, CA

● **Pray for our daughter Joy as she has begun Reboot disciple training** and is also training someone else. Also, pray for her as she travels to Montana to meet her boyfriend's parents this month.

● **Pray for Josh M., an Australian friend who is coming to visit us for 2 weeks this month.** Pray for his safe travels to and from America, and that his visit will be impacting for him as well as for those who will meet him and hear him speak.

● **Pray for us as we speak at several churches this month:** Manchester, Pleasant Valley, Wildwood, and Mason-Dixon (VBS).

● **Pray for Ben as he meets with the DOM** and several pastors of his home association to discuss a strategic partnership.

● **Pray for us as we attend several family reunions.** Pray that we will be bold to discuss faith issues and confront complacency. One great opportunity will be on July 18 where Ben will be presenting a message to family and friends at a pig roast.
